Theresa,

I have attached a unilateral order from Region 9. It is several years old so the format may be different (and penalties higher with inflation), but it might be helpful to take a look at this.

Do you have time tomorrow to talk about the Cultural center? I'm open except 9-10 and 12-1 tomorrow.

Janet

Hey Janet,

You sent this to me and I was wondering if the unilateral orders will look like this?

Dear Theresa,

We made it to Tuba City and our plans for tomorrow are to meet with the Hopi WET team at the Tribal Office from 8:30-9:30 or 10, and then we will be heading to Polacca to meet with representatives from First Mesa at 11. We were hoping to meet with them today, but it took us longer from Phoenix to get to Tuba City. We can meet with you after the WET team meeting, or after the meeting with First Mesa Consolidated Villages, depending on your schedule. We will need to leave before 10:30 tomorrow to meet in Polacca.

I brought along with me some hard copies of final Administrative Orders on Consent that EPA has entered into for other public water systems. I am attaching those for your review/reference.

I look forward to meeting you tomorrow. Feel free to call me on my number below (my access to internet and my email is spotty).

Thank you,
